

ascendis pharma A/S is an international company with offices in Copenhagen, Germany and the US. We are building an integrated biopharmaceutical company to advance our pipeline of long-acting prodrug therapies. Employing our proprietary TransCon technology platform, we are generating therapeutics with best-in-class profiles that address large markets with significant unmet medical needs. In this regard, we have a diversified and balanced high-value product pipeline, which includes internal programs and partnerships with market leaders.
