

Data Governance Manager

Can you take care of data governance in a fast growing biotech company?

Then we would love to have you onboard Ascendis Pharma Global IT and invite you to become part of a very exciting journey. You will have good development opportunities in a very flexible environment where “the way we do things here” is open for discussion.

As Data Governance Manager you have a good understanding of data management processes and how to govern those. Your tasks span from develop the data management strategy to participate in projects where you ensure that data are handled consistently across platforms.

You will support the business’ data owners and enable Ascendis Pharma to efficiently run and expand the application landscape in an outsourced environment.

Your main responsibilities are:

- Master data management strategy development
- Develop, enhance and govern MDM process, methodologies and templates
- Architect enterprise master data
- Facilitate coherent data terminology across Ascendis Pharma
- Secure data integrity across IT systems and IT platforms
- Architect system data integration
- Responsible for documentation and adherence to master data standards
- Train and support master data owners in master data governance and administration
- Involved in ERP and core IT application implementations

Ideally, you hold a Master’s Degree combined with experience in master data governance/management.

You have proven records in project participation and it would be an advantage if you have knowledge about GxP (pharma), GDPR (person) and SOX (finance) data regulations.

You work in a structured way and communicate well with many types of internal and external stakeholders. You enjoy finding solutions that meet the business needs. Drive and initiative are part of your personality and you are comfortable with working in a dynamic environment. Reference to Head of Global IT Lars Tranberg Pettersson.

You are proficient in English at a professional level, both written and spoken.

Last but not east, you have a good sense of humor and enjoy working cross-cultural.

Ascendis Pharma offers you an exciting and challenging position in an entrepreneurial and international company with a short line of command. You will be involved in activities that are central to Ascendis Pharma's strategy and work with highly skilled and experienced colleagues on advancing an exciting product pipeline.

The culture is informal, team oriented and fast moving and you will be expected to take responsibility and act on your own. Company benefits include a fair salary and pension scheme with health insurance and a lot of in-house social activities and a nice canteen.

Travelling: Approx. 10-20 days/year

Place of work: Ascendis Pharma resides in a wonderful office facility in Tuborg Havn 12 in Hellerup with a view of the harbor, the canals, and the sea. We also have facilities in Heidelberg, Germany and Palo Alto, U.S.A.

For more details about the job or the company, please contact Lene Nilsson on M +45 26 40 52 40 or lni@ascendispharma.com. All applications must be in English and are treated confidentially.
