

ascendis pharma A/S is an international company with offices in Denmark, Germany, and the US. Ascendis Pharma A/S is building an integrated biopharmaceutical company to advance its pipeline of long-acting prodrug therapies. We employ our proprietary TransCon technology platform to generate therapeutics with best-in-class profiles that address large markets with significant unmet medical needs. Ascendis Pharma has a diversified and balanced high-value product pipeline, including internal programs and partnerships with market leaders. Take charge of your career and grow in new directions by exploring opportunities within a growing Life Sciences Company and join us at our research site in Heidelberg/Germany as:

IT Coordinator (m/f/d)

based in Heidelberg/Germany

Your responsibilities:

- Functional responsibility for our Heidelberg based IT operations
- Close cooperation with, and assistance to, cross-national IT functions, IT-related projects and external consultants
- Contribution to strategic IT related areas such as regulatory compliance, data integrity, IT security, etc.
- Execution and co-ordination of 1st and 2nd level IT helpdesk support
- IT infrastructure maintenance and development
- IT asset management: hard- and software (design, procurement, deployment, maintenance, inventory, licensing, etc.)
- Analysis and optimization of internal IT processes
- Document management and compliance management
- IT onboarding, IT training and IT care for our Heidelberg based employees

Your qualifications:

- Excellent degree in information technology, business information technology, or comparable studies
- At least 5 years of experience in an industrial IT setting, preferably including IT process control and IT infrastructure in regulated environments such as HIPAA, GxP, ISO
- Sound knowledge in Microsoft on-premise and cloud solutions
- Structured, analytical and independent work approach
- Outstanding problem-solving abilities, keen interest in further professional development
- Excellent teamwork and communication skills
- Very good command of German and English, both spoken and written

If you want to be part of our team, we offer you an exciting and challenging full-time position with attractive additional benefits in an entrepreneurial and international life science company.
